ORDER

LEWIS J. LIMAN, United States District Judge:

The Court previously scheduled a status conference in this case for June 2, 2020, in order to discuss the status of the case and discovery and to set a date for motions and for trial. In light of the circumstances surrounding COVID-19, the Court is unable to hold the upcoming conference in this case in person. The parties are directed to meet and confer and to inform the Court by joint letter submission no later than May 22, 2020, whether the Court can, consistent with the Constitution, the Federal Rules of Criminal Procedure, the CARES Act, and any other applicable law, conduct the conference by video or telephone conference and whether the Defendant consents to appearing in that manner and/or to waiving his appearance altogether. If the parties consent to appearance by video or telephone conference, they should submit a proposal for how that conference should take place. In addition, the parties are directed to advise the Court of the status of the case, including any discussions regarding a potential disposition and the status of discovery.

SO ORDERED.
